

## Edge to Edge Quilting in the Hoop

Amelie Scott Designs Book

Heavy Weight Stabilizer (to make your templates designs)

Dark color thread

Thread color for your quilting project (bobbin to match your thread color)

Bring your large hoop

Template for your hoop

Marking pen/pencil

Fabric Pencil

Ruler (6x24)

Have your designs loaded with your format on your USB for class

Batting

Embroidery Machine and Module you are familiar with

Bring in a project you want to quilt in the hoop. I suggest you start off with a smaller project.

You will need your backing fabric to be at least 4 inches on all sides bigger than your top. You will need extra fabric/batting to finish your last row of designs.
