

Chenille Quilt Supply List 2026

***Student Prerequisites:** sewing machine you are familiar with. If you have a walking foot or dual feed foot, they will be helpful but not necessary.

Basic Sewing Supplies: scissors, marking pen/pencil, rotary cutter

NOTIONS:

Clover Slash Cutter (or equivalent)

Clover flowerhead or equivalent long pins (not fine size, heavier)

*clips will not work

24" or 36" ruler (or longest that you have)

Size 90 sewing machine needle

Thread that coordinates with panel

FABRIC:

(3) identical panels (avoid panels with lettering)

Pellon 45" wide fusible fleece (987F)**

Backing fabric**

**both fusible fleece & backing fabric should be a minimum of 1" wider than panel size all the way around

Binding fabric, figure yardage according to panel size you choose

SESSION #1 - preparing fabrics & sewing

SESSION #2 – cut channels for chenille process
